> Yours truly, ROY SMITH, The Ford Garage

TOWN COUNCIL

Town Mine Ready For Production Price Of Coal Fixed

The report of the Chairman at the Public Works Committee relative to the Town Coal Aline tions were made by John S. Maver to twanspools and not a few of the thinker of Agriculture for low passes and not a few of the formation farm in the district.

The drawbases which estated has were at the mine hay been wired out and a coasta tupper is predicted by a second the control of the mine hay year will remember the scallent quality which was being produced when the mine close of the summer months. It is estimated that the quality of the writing sam is equal to the best that the Drambeller mines produced when less than the control is a second there is not the second that the quality of the writing sam is equal to the best that the place of the summer months. It is estimated that the quality of the writing as an inequal to the best that the point of the second institute is provided. the Council institute is here were present at the meeting by the control of the second of the

extent.

Duling the last month two sections have changed hands, one between Hussar and Makepeace, and the other in the Growfoot district. The former section, previously owned by Klessling has been Coutland on page ave.

Dominion Experimental Farm Secured For Bassano.

maned on Milliary Service. The street of the service of the free of the field, and the latter was granted on the terms of the previous resolution affecting such cases.

A letter from the Carsalian Atlas (Chambers Co., regarding, the installation of lighting arrasets) and the pumping station was laid on the studies. The same company seported that the pumping station was laid on the fable.

The same company seported that in by the distriction of perfect when the pumping and motor for the new relectival unit at the pumping and motor for the new selectival unit at the pumping allow on the fable.

The same company seported that in by the distribution of perfect several the pumping and motor for the new selectival unit at the pumping allow of the fable. The same company seported that the pumping and motor for the new selection was a selectival unit at the pumping client of the fable of the selection of the selection

station was going forward on the Izlat of August.

Coun. W. S. Playfair reported that the had visited the Coal Mile the index of the Property of the Property

The farm is conveniently near to the After which the Council adjourned.

The farm is conveniently near to the railway, and we suggest to the feathers of the C.P. B. that they instal a farm demonstrating the advantages and possibilities of farquing by irrigation to the most in the history of the country land values in this district house on the deserting of the two systems, as the depreciated neither has the demand for farms slackened to any great extent.

NOTICE!

The Peoples Market Limited

Wish to respectfully notify all their trons that they are doing a strictly ish TRADE.

They would very much like to accommodate those who wish credit but would not like to discriminate among their many customers, and as it would be impossible to extend credit to all, they have, therefore, decided to deal only for cash except to stockholders, who may have credit for 30 days only, and to the extent of 50 per cent of their paid-up

Any customer, therefore, wishing to run an account with The Peoples Market Limited is invited to subscribe for stock, and, besides obtaining interest on their investment, will receive at the end of the year a co-operative dividend on all business transacted with their company.

Buy an Irrigated Farm

From the Canadian Pacific Railway.

Trrigation makes the farmer insures good crops, not oc-casionally, but EVERY YEAR.

Irrigation makes possible the successful culture of alfalfa, the king of alfalfa, which insures good returns in dairying and mixed farming.

Irrigation means intensive farm-ing and close settlement, with all the advantages of a densely populated agricultural community

Irrigation in the Canadian Pacific Railway Irrigation Block is no longer an experiment, the years that it has been tried having absolutely demonstrated its succe

the Canadian Pacific Railway at prices up to \$50 PER ACRE, with twenty years to pay and the privilege of a loan of \$2,000 for im-

provements (6% interest); no principal after first payment uptil and of fourth year, reduced interest if settlement conditions are complied with, and no water rental for first year.

Contract can be raid off before maturity if desired.

This is the most liberal offer of irrigated farm land on record.

For full particulars, apply to

Allan Cameron, General Supt. of Lands Canadian Pacific Railway, Department of Natural Resources
926 First Street East, Calgary, Alberta.
